

STAIR INSTALLATION INSTRUCTION MANUAL

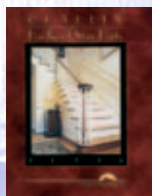

A STEP BY STEP GUIDE FOR INSTALLATION

Fitts

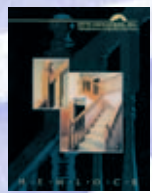

Manufacturers of Quality Stair Parts

For over 50 years the Fitts name has been associated with quality in the woodworking industry.

Contact us today to receive one or all of our full color brochures

Hardwood Catalog—An extensive listing of Fitts Industries' high quality traditional stair parts. The hardwood catalog provides detailed product information including; photographs, line drawings, and product specifications.

Hemlock Catalog—A catalog dedicated solely to Fitts Industries' Hemlock product offering. Hemlock is a sustainable material, but is often used in applications where paint grade stair parts are desired.

Sheraton Catalog—Fitts Industries, Inc. signature line of stair parts: Sheraton© styling is sure to add elegance and sophistication to any home.

Canterbury Catalog—Canterbury product offerings combine traditional styling with a contemporary feel.

Wrought Iron—Wrought Iron balusters offer elegance and affordability to your stair design, as well as endless style options for the decorative savvy.
